Adrian Bogdan Pop

Full Stack Developer skilled in PHP/Symfony, CraftCMS and Nuxt.js/Vue.js

Cluj, Romania

Summary

Hi there! I'm Adrian, a Full Stack Developer with 8+ years of experience. I specialize in PHP Symfony / JS Vue.js, Nuxt, CraftCms development, and have a track record of success in delivering high-quality applications across a range of industries: education, sales training and coaching, office/building management, sales analytics, customer intelligence.

Throughout my career, I've focussed on the development of scalable and maintainable applications, a follower of design patterns, SOLID principles, coding standards.

I am confident in my ability to contribute value to any organisation and I am eager to continue growing my skills and expertise.

If you're interested in learning more about my experience or connecting with me, please feel free to reach out. I look forward to hearing from you!
